

## About IIT (ISM) Dhanbad

The Indian Institute of Technology (Indian School of Mines) Dhanbad, a fully residential institute is situated in coal capital of India, Jharkhand, India. It was established in 1926 on the model of the Royal School of Mines, London. Apart from Mining, Geology, Petroleum, Fuel and Mineral Engineering departments of international reputation, the institute has diversified into many other branches of science and engineering that includes Applied Chemistry, Applied Physics, Applied Mathematics, Chemical Engineering, Computer Science and Engineering, Civil Engineering, Electronics Engineering, Electrical Engineering, Mechanical Engineering etc. For details, please visit at <http://www.iitism.ac.in/>

### Venue Location:

The course will be conducted at FDC/EDC, IIT (ISM), Dhanbad. Dhanbad has good railway connectivity from several parts of the country. The nearest airport is Kolkata and Ranchi which are about 250 km & 180 km. respectively. from Dhanbad.

## About Faculty Development Centre (FDC)

The Faculty Development Center (FDC) at Indian Institute of Technology (Indian School of Mines), Dhanbad, has been sanctioned by the Ministry of Human Resource Development, Government of India, under the Scheme of Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNMTT). Faculty development has a critical role to play in promoting academic excellence and innovation. FDC will incubate and nurture, on a continuous basis, the professional development of teachers and will create opportunities for professional growth. Research Cell located within FDC will help to undertake research on different aspects for professional development of teachers. Faculty development is an essential element of institutional effectiveness. The extent to which the institution supports faculty development will be strongly reflected in levels of the engagement in learning activities, conduct of research and ultimately fulfilling the objectives and goals of the college/university/institute. Faculty development programmes include the four possible types of development: personal (interpersonal skills, career development, and life planning issues); instructional (course design and development, instructional technology); organizational (ways to improve the institutional environment to better support teaching); and professional (ways to support faculty members so that they fulfill their multiple roles of teaching, research, and service).

## Vision & Mission:

- To inculcate among teachers, the motivations to promote institutional effectiveness through the development of personal, instructional, organizational, and professional growth of faculty.
- To promote organizational strategies for faculty development so as to incentivise teachers to grow professionally and enable the institutions to grow.
- Faculty development is expected to result in improved teaching performance and better learning outcomes for students and teachers.
- To promote new ways of thinking about the student-teacher relationship, and increased commitment to educational scholarship.
- Developing all round skills are a prominent aspect for faculty development.

## Objectives:

- Training programme will be planned for the college/university/institute teachers for his/her sensitized roles and responsibilities in their respective organizations.
- Improving the quality of teaching in colleges /universities/Institutes.
- The Faculty Development Centre will also offer a wide variety of services, as outlined below.
  - Teaching & Learning
  - Research & Creative Activity
  - Career Planning

- Collegial Conversations
- Communication Technology
- Resources & Support
