Category-wise Details for World Environment Day 2025 Events

Sit & Draw Competition / Poster Making Competition

Category	Participants	Theme	About the Theme
Category - 1	Std-I to Std-III	Clean Earth, Happy Me	Show how a clean, beautiful environment makes you feel happy and healthy.
Category - 2	Std-IV to Std-V	Friends of the Earth Use Less Plastic	Show how caring for the planet means choosing alternatives to plastic and adopting eco-friendly habits in everyday life.
Category - 3	Std-VI to Std-VIII	Beat Plastic Pollution	Depict the harmful effects of plastic and solutions like recycling and alternatives (You also need to write 2-3 lines about your Drawing/Poster).
Category - 4	Std-IX to Std-XII	Plastic Pollution: The Time to Act is Now	Visually represent the harmful impacts of plastic on the environment—such as litter in nature, ocean pollution, or the effects on wildlife—and the urgent need to address this global issue (You also need to write 2-3 lines about your Drawing).
Category - 5	UG and PG Students	Ending Plastic Pollution: Our Responsibility, Our Future	Creatively illustrate the harmful effects of plastic on the planet and depict solutions—like recycling, using eco-friendly products, or community clean-up efforts—showing how responsible actions today lead to a cleaner, healthier future (You also need to write 2-3 lines about your Drawing).

Participants are requested to report at the below mentioned venue and time:
