Prescribed guidelines for Comprehensive Examination:

1. Scholars registered in the Ph.D. program must clear a Comprehensive Examination (written or oral) with **Satisfactory(S)** grade within **TWO** months after releasing the list of the eligible candidates by the Academic Section. The Doctoral Committee of the scholar will be the comprehensive Examination Board of the scholar.
2. On Unsatisfactory(X) result, the scholar will get once chance again to appear in the Comprehensive Examination within ONE month from the date of last Comprehensive Examination. That is the maximum duration for the completion of Comprehensive Examination is within THREE months after releasing the list of the Eligible candidates by the Academic Section.
3. Modalities of the Comprehensive will be decided by the DAC of the individual departments. Written part of the comprehensive Examination is optional and the decision is left to the DACs. However, the Oral examination will be mandatory. If the department decides to conduct the written examination they should conduct the examination for all the scholars of the department. The decision of the department to conduct a written examination should be communicated to the Dean (Academic) in advance.
4. The DSC will submit the Comprehensive Examination Report [**Form PH4 is applicable**] of the scholars to the Academic Section on its completion through Convener, DPGC within one week from the date of conducting the Comprehensive Examination of the scholar.
